

FOR IMMEDIATE RELEASE

Introducing Event Ice: Keeping it Cool with Cold Storage Rentals and Ice Delivery

[AUBURN, ALABAMA, January 5th, 2023] – Greenawalt Hospitality is thrilled to announce the launch of its cold storage rental and ice delivery service, Event Ice. Event Ice is setting a new standard for cold storage rentals, with our trailers being able to refrigerate or freeze in a moment's notice. Our state-of-the-art trailers are designed to cater to a large range of events.

Event Ice recognizes the pivotal role that proper refrigeration plays in the success of events, from grand celebrations to emergency situations. By combining cutting-edge cold storage solutions and reliable ice services, Event Ice offers a comprehensive package that redefines convenience, reliability and support for a wide range of occasions.

Key Features of Event Ice:

- Tailored Cold Storage Rentals:** Event Ice prides itself on its diverse range of cold storage options designed to accommodate various event sizes and requirements. From festivals to disaster relief operations, their state-of-the-art cold storage units ensure items are preserved at optimal temperatures, maintaining freshness and quality.
- Versatility Across Event Types:** With an inherent understanding of the unique demands of different event categories, Event Ice caters to a wide array of occasions, from wedding and corporate gatherings to sporting events and disaster relief efforts. Event Ice's services are designed to support every need.
- Disaster Relief Expertise:** Beyond celebratory events, Event Ice is a trusted partner in disaster relief scenarios. Our rapid response capabilities and adaptable cold storage units play a vital role in providing support during emergencies, ensuring essential supplies are preserved and accessible.
- Unwavering Commitment:** Under the slogan "Events Need Ice", Event Ice stands committed to delivering top-notch services that alleviate the logistical stress of event planning and disaster management. Our dedicated team is available to offer personalized solutions and support every step of the way.
